

Asset and Security Labels.....Secure PC supplies a range of solutions for your security needs

Our range of asset labels allows you to easily track your expensive company assets and allows full trace ability. Our labels are supplied with extra strong adhesive, which should in most environments last for many years.

Key benefits include:

- 6 different styles
- Company Logo option free of charge, subject to logo and supply in appropriate format
- Consecutive numbering and bar code format
- Second colour option only 15% premium on cost

Choice of colours

Choice of materials includes:

- White Vinyl *a strong durable material supplied on rolls*
- Ultra Destructible *these labels cannot be removed in one piece*
- Aluminium foil *0.05mm thick for inside/outside use, temp range -40 C to + 150 C*
- Silver Polyester *top quality material suitable for textured surfaces*
- Tamper Evident Void Labels *leaves a VOID message if label removed*
- Self Laminating Labels *ability to further customise on site before final lamination*

Asset and Security Labels.....Secure PC supplies a range of solutions for your security needs

Our range of asset labels allows you to easily track your expensive company assets and allows full trace ability. Our labels are supplied with extra strong adhesive, which should in most environments last for many years.

Asset Tracker Label

A 3 label set, with the main label (40x30mm) and the 2 smaller labels (20x10mm) which are then suitable for applying to related paperwork or documents. White vinyl, printed black with your company details, including sequential number if required.

All pricing excluding VAT and carriage and per 100 labels

Ref/Qty	300 (min)	500	1000	3000	5000
40 x 30 mm	£65.35	£45.65	£27.45	£18.4	£16.10

Stainless Steel Plates

These plates are 0.5mm and coated with a layer of industrial adhesive. They are virtually impossible to remove. Your company name and company details are etched onto the steel surface and then colour filled. Sequential numbering can also be stamped onto the surface. Please note apply to flat surfaces only.

Size/Qty	100 (min)	300	500	1000	2000
38 x 25 mm	£195.00	£121.00	£98.00	£85.00	£75.00

ID TRAKAMARK SECURITY PLATES

The *ultimate* security and Asset plate. Perfect for security marking all valuable equipment like laptops, computers, printers, cameras, etc . Plates are printed with a unique ID registration number, barcode, free phone contact number and email address. Your unique ID numbers are then entered into the KODIT database along with your contact details to enable any found items to be traced back to you. Cost includes database registration for life. Industrial strong adhesive used. Must be fitted to flat surfaces

All prices per pack of 4 plates

1 pack	10	25	50	100	500
£22.50	£22.50	£18.00	£16.00	£14.50	£12.00

KODIT Database

All your data is totally secure on the KODIT database, which is fully accredited by the Loss Prevention Certification Board. Cert. 379a, to LPS 1224:issue 2. The database is available 24 hours a day to the police only.

You will receive a confirmation of your registration within 2 weeks. There are no further changes or annual fees to pay. No data will be released to any other parties. For more information please contact KODIT Databases Ltd. Holmes Chapel, Cheshire CW4 8AS. Tel 0800 3897280.
